

Behavior System

Learning to be a good classroom citizen is extremely important in first grade! I want your child to leave my classroom as a mature, responsible and kind second grader. This year our school will be Classroom Dojo (an online APP) to monitor behavior at GES school wide. If you aren't familiar with dojo, you are going to love it! *Check out more about Dojo below.*

Dojo AT GES- *Dojo is a FREE APP that can be downloaded onto any Smartphone, device or PC. I will be sending you an invitation to join our class the first week of school in BLUE folders. Your child has a unique code to join our class.* From the APP you can see your child's dojo monster character. Each week your child will start with 0 dojo points. They will earn points throughout the week for positive behavior. They may also lose dojo points for misbehaving. In your child's chart- you will have access to every point your child has gained or lost and you will be able to see their daily, weekly or monthly percentage in a pie chart form. *In the example below, Cameron has earned 2 points for participating in class, but has lost a point for talking out of turn, so her chart is currently on 67%. In order to get back up to 100% Cameron needs to earn some dojo's!* Our school will be having dojo percentage behavior parties and events this year, so it's important for your child to exhibit positive behavior in the classroom in order to attend the events. Dojo also contains a free messenger APP similar to Facebook messenger. We can chat back and forth instantly throughout the day without ever exchanging phone numbers!

Classroom Rules + Core Values

1. Follow Directions Quickly
2. Raise Hand for Permission to Speak or to Leave Your Seat
3. Make Smart Choices
4. Keep Your Dear Teacher Happy 😊

We Will-work hard, listen to each other, say thank you, respect ourselves, tell the truth, encourage each other, take turns, ask for help, not give up, be kind, forgive, and most importantly say sorry!
